

Monitor Mount with Double-Link Swing Arm, for 13" to 32" Displays

Holds One 13" to 32" LCD Monitor up to 8 kg (17 lbs.), Black

SKU: 461542 | EAN-13: 0766623461542 | UPC: 766623461542

Manage the desktop. Maximize productivity.
LCD-monitor installation above the desk helps maximize the effectiveness of a potential workspace. The Manhattan Universal Monitor Mount with Double-Link Swing Arm improves organization on the desktop, making it easier to get work done on the computer.

Constructed from durable steel, this single monitor mount features a sturdy clamp that allows for quick, easy and secure mounting without the need to drill holes into desks or countertops. Effectively accompanying a larger display or computer screen, its fully adjustable tilt, rotate, side-to-side, height and tension settings create the perfect position to comfortably increase productivity. Such adjustment capabilities can even help reduce eye fatigue or neck and back strain. In addition, the mount pole offers easy monitor rotation to allow others to view presentations and multimedia productions from almost any direction.

Features:

- Meets VESA standards — securely holds one LCD monitor from 13" to 32"
- Positions monitor above the desktop to increase work space, improve visibility and minimize clutter
- Double-link swing arm with ±45° tilt and 360° rotation
- Steel pole with heavy-duty clamp mount
- Removeable VESA plates, making monitor attachment faster and easier
- Easy adjustment of monitor position
- Ideal for office, studio, IT network and security applications
- Installs easily to any desktop or other surface — no drilling required
- Lifetime Warranty
