Get the ultimate full-motion experience for your display

The Manhattan Universal Gas Spring Monitor Mount securely supports one 17" to 32" TV or monitor. Because it uses a gas spring to hold your display, its arm only needs the lightest touch to move your screen to the best viewing angle for you. The mount's high-quality aluminum and steel construction will provide years of reliable service. Ideal for installation on a large desk, the Manhattan Universal Gas Spring Monitor Mount lets you take advantage of the extra range of movement so you can have more space to get work done.

Features:

- Supports one 17" to 32" monitor (recommended)
- Gas spring provides light-touch adjustment of viewing height
- Built-in tension adjustment
- Desktop clamp or hole clamp (both supplied)
- Three-year warranty
