Get the ultimate full-motion experience for your displays

The Manhattan Universal Gas Spring Dual Monitor Mount securely supports two 17" to 32" TVs or monitors. Because it uses gas springs to hold your displays, the arms only need the lightest touch to move them to the best viewing angles for your purposes. The mount's high-quality aluminum and steel construction will provide years of reliable service. Ideal for installation on a large desk, the Manhattan Universal Gas Spring Dual Monitor Mount lets you take advantage of the extra range of movement so you can have more space to get work done.

Features:

- Supports two 17" to 32" monitors (recommended)
- Gas spring provides light-touch adjustment of viewing height
