A Premium, Heavy-Duty Multimedia TV Cart that lets you roll your display where you want

Bring the TV to you. When it needs to be somewhere else, move it there with ease. The Manhattan Heavy-Duty Multimedia TV Cart gives you the freedom to get rid of an annoying glare or overcome a restrictive furniture setup that makes it less enjoyable to watch TV. Putting the TV on wheels helps you get the best viewing angle from almost anywhere in the room. VESA-compliant and constructed of quality materials, this high-quality, heavy-duty TV cart can handle large TVs up to 100" and can support a total weight up to 100 kg (220 lbs.).This rolling TV cart gives you all the benefits of an above-the-floor installation — a more professional look, greater security for your TV, etc. — with the additional one of being able to move it as you please. This solution is ideal for residential, office, hospitality, classroom and conference room, digital signage and other commercial applications. Video conferencing is also easy, with locking heavy-duty steel casters that let you swiftly move this TV cart between rooms. Their highly durable polyurethane tread easily absorbs bumps on the way. Two sturdy shelves that are made to hold a camera and other equipment.
