Heavy-Duty Multimedia Rolling TV Stand that lets you wheel your display where you want it

Bring the TV to you. When it needs to be somewhere else, move it there with ease. The Manhattan Ultra Heavy-Duty Height-Adjustable Multimedia TV Cart puts the TV on wheels so you can take it to different spaces as needed, avoid an annoying glare, or overcome a restrictive furniture setup. VESA-compliant and constructed of quality aluminum materials, this high-quality, heavy-duty rolling TV stand supports TVs up to 100" and can support a total weight up to 150 kg (330 lbs.).The Heavy-Duty Multimedia TV Trolley has all the benefits of the above-the-floor wall-mount installation — elevated views, a more professional look, greater security for your TV, etc. — plus mobile flexibility and independence. It includes one large AV shelf to hold and connect a laptop, DVD player or streaming device, and it includes a large base to store or hold bigger devices so everything you'll need at your destination can be on-board, connected and ready to go. You'll get there swiftly and smoothly with the heavy-duty casters that have polyurethane treaded wheels to absorb bumps along the way.This Heavy-duty TV stand on wheels is ideal for residential, office, hospitality, classroom and conference room, and other commercial purposes. The five-point height adjustment lets you put the display at the right level for your audience so your message is seen and received.
